U.S. Night Vision manufactures tactical-grade night vision devices. Our products include goggles, monoculars, weapon sights and night vision devices.

Made in America: our night vision devices are known throughout the world for their quality and durability.

Our commitment to customer service will ensure your satisfaction.

A PVS-7B Ultra kit comes complete with a lightweight, fully adjustable military head strap.

The PVS-7B is the standard issue goggle supplied to the U.S. Military and its allies.

USNV PVS-7B Ultra (64lp)

Generation 3 Night Vision Goggle

- * 64LP Resolution
- * Mil. Spec Housing
- * Light Weight
- * Includes Tube Data Card

Optional Accessories

Energizer AA Battery (12 Pack), Energizer AA Battery (24 Pack), 3x Military Lens, 5x Military Lens, PSGAT Helmet Mount, MICH Helmet Mount, Magnetic Compass, Mil Spec Hard Case, USNV-IR Spot Light Kit

The PVS-7 is the standard issue goggle supplied to the U.S. Military and its allies. With the use of a single ITT Generation 3 (64lp) image tube and a dual eye configuration, the USNV-PVS-7 Ultra provides outstanding night vision performance. It features simple user controls and fully automated image tube protection. This system allows the user to have complete freedom of movement while maintaining equilibrium and balance in a hands free application. The USNV-PVS-7 also incorporates an infrared illuminator with a momentary and continuous on switching function. Infrared operation and low battery indicators are displayed within the user's field of view. The USNV-PVS-7 comes complete with a lightweight, fully adjustable military head strap that allows for comfortable long-term use. A wide range of optional accessories include high magnification lenses, compass, infrared spot/flood lens and helmet mounting bracket. Ships with: Head-mount, Military Soft case, batteries, extra brow pads, lens tissue, and a manual. Our Ultra systems also comes with a serialized certified Data Sheet that details the image tube performance.
