U.S. Night Vision manufactures tactical-grade night vision devices. Our products include goggles, monoculars, weapon sights and night vision devices.

Made in America: our night vision devices are known throughout the world for their quality and durability.

Our commitment to customer service will ensure your satisfaction.

- * NIJ Level IIIA
- * Ideal for Spec Ops and SWAT

International Armor's Titanium/Steel plates (in conjunction with a Level IIIA Vest) are capable of stopping multiple hits from 7.62mm X 51 mm (.308 caliber) FMJ and lesser threats such as AK-47/Kalashnikov 7.62 X 39 mm (FMJ). With such protection and at 30% less the weight than our competitors steel hard armor plates, our Titanium/Steel Hard Armor Plates are the best valued hard armor plates on the market today. Our Titanium/Steel combination Hard Armor Plates, provides all the protection you will find in Threat Level III steel plates, but at about 30% less the weight. Standard Features NIJ threat level III Single curve Multi-hit capability Defeats 7.62 mm NATO 148 gr. (.308 caliber) FMJ at 2780 fps Front/Back placement
