U.S. Night Vision manufactures tactical-grade night vision devices. Our products include goggles, monoculars, weapon sights and night vision devices.

Made in America: our night vision devices are known throughout the world for their quality and durability.

Our commitment to customer service will ensure your satisfaction.

- * NIJ Level IIIA
- * Ideal for Spec Ops and SWAT

An ultra-light rifle plate, the PBP provide excellent protection against high velocity rounds. The PBP is well suited for water (salt water) environments as well as conditions involving heavy vibration. Although this plate is rated NIJ Threat Level III, additional support with a level III-A vest is needed for semi-armor piercing rounds. Protect yourself from high velocity rounds with this incredibly comfortable and ultra-light Hard Armor Plate. STANDARD FEATURES: NIJ Threat level III Single curve Multi-hit capability Front/Back placement
