USNV Soft Case

Classic Binocular Soft Case

U.S. Night Vision is a manufacturer of tactical-grade night vision devices. Our products include goggles, monoculars, weapon sights and digital night vision devices.

Made in America: our night vision devices are known throughout the world for their quality and durability.

Our commitment to customer service will ensure your complete satisfaction.

This night vision protective case can be used when you need to carry more than your pockets will hold. Its nylon construction is water and stain resistant. Fully padded and lined this case will protect your night vision device from the elements. With a zippered pocket inside and two removable dividers this case is durable and flexible. It also comes with an adjustable padded waist belt.
