US Night Vision – Reseller Terms of Agreement

Welcome To US Night Vision Corporation:

We would like to thank you for reselling the US Night Vision product line and we will work hard to earn your continued business. All resellers for US Night Vision are treated the same, with respect and appreciation. We look forward to a long profitable relationship and will continue to research and develop the highest quality night vision equipment at the best price points available.

Terms of Sale:

US Night Vision Corp wants all dealers and resellers to be profitable when reselling our product line. Our policy is that no reseller can advertise our products for less than our Minimum Advertised Price (MAP) either in print or electronic format without the express written consent of US Night Vision Corp. Any companies that violate this policy will be subject to a suspension of shipments for up to 90 days or until the price point is fixed and verified with US Night Vision Corp. Any reseller that continues to violate this policy will be subject to a suspension or termination of their account with US Night Vision Corp. This policy only pertains to media advertising, print, internet or any other form of published advertising; we will not enforce and cannot enforce this policy for any other form of sale.

Warranty:

Please retain a copy of your invoice for warranty items. The warranty period covers all manufactured parts. This warranty does not cover acts of negligence, misuse, abuse or neglect to the product. All warranty claims must first go through US Night Vision Corp for validation and authorization prior to shipment.

Terms & Conditions:

All initial orders are COD secured payment (cashiers check/money order) or PIA (wire transfer/credit card). Net Term accounts are subject to 2% late fee per month for balances over 30 days. COD and Credit Card customers please retain a copy of the invoice for your records-You will only receive one copy.

Return Policy:

Return authorizations (RA numbers) are required for all returns.
Items returned within 10 days of receipt will receive a full refund upon inspection, less shipping costs.
Returns after ten days will be subject to a 20% restocking fee. No returns will be accepted after 30 days.

Night Vision Export Disclaimer:

Export of Night Vision is under the control of the Office of Munitions Control, U.S. Department of State and is subject to the International Traffic in Arms Regulations and falls under the International Traffic in Arms Regulation per title 22, Code of Federal Regulations (CFR), Parts 120-130. Shipment without proper licensing or consent is strictly prohibited.

I have read, understand and agree to the following terms as listed above.

Company _____ Title _____

EXPORT STATEMENT OF UNDERSTANDING

I, _____ being an official of the company identified below (hereinafter referred to as Company) or the individual identified below, am aware of the restrictions imposed in the Code of Federal Regulations, Title 22, Parts 120-130, commonly referred to as International Traffic in Arms Regulations, (ITAR). These regulations are issued by the United States Department of State, under the authority of Sec 38 of the Arms Export Act (22 USC 2778) and govern the export of articles, services and technical data identified on the U.S. Munitions List. All night vision equipment, systems, components, goggles and weapon sights of Generation 2, 2+ and 3 including illuminators, and aimers, are currently identified as U.S. Munitions items.

It is specifically acknowledged by Company that Company is fully aware of these export restrictions, and that Company understands that US Night Vision Corp. shall not be the exporter, either directly or indirectly, of any controlled item on behalf of Company. Company specifically disavows any responsibility on the part of US Night Vision Corp. for any cost, expense or loss, of legal action resulting from any violation of United States of America laws of regulations governing the export of night vision systems, components, goggles, weapon sights and technology, including infrared artifacts, illuminators and aimers.
