

night vision weapon sight

Part No- 000012 (Gen 3)
Part No- 000135 (Com Spec)

USNV-441

The USNV-441 is a professional grade Night Vision Weapon Sight. Weighing only 36 oz, the 441 is highly regarded for its incredible nighttime shooting performance. Features include: an illuminated red-on-green backlit reticle, adjustable reticle brightness control, multi-coated optics, detachable IR Illuminator and a high-strength weaver mount. Target acquisition is made easy with the extra-fine cross hair reticle, which allows precise shot placement at extended ranges. Automatic Brightness Control and Bright Source Protection are standard.

Ships with: Weapon Sight, Detachable Infrared Illuminator, Military Soft Carry Case, Shoulder Strap, Eye Cup, Flip-Up Daylight Filter, (2) 3V Batteries and Ops Manual.
