U.S. Night Vision manufactures tactical-grade night vision devices. Our products include goggles, monoculars, weapon sights and night vision devices.

Made in America: our night vision devices are known throughout the world for their quality and durability.

Our commitment to customer service will ensure your satisfaction.

**MICH Helmet
Shown with
Helmet Mount**

The helmet mount allows you to attach the unit directly to the MICH (Modular Integrated Communications Helmet) family of helmets. The helmet mount not only incorporates standard adjustments, it also has a flip-up/flip-down capability, that allows the user to move the PVS-7, USNV-14 or the PVS-14 up and out of the way of the face.
