- * Dual Tube Performance
- * 3.2X Magnification
- * Multicoated Optics

Optional Accessories

USNV Headmount, USNV 1X Lens,
USNV-IR Spot Light Kit

The USNV-321 is the highest quality dual-tube/dual-eye night vision goggle available. It offers a true stereoscopic night vision image. The USNV-321 is U.S. made and utilizes the highest quality Generation 3 image tubes from ITT. The unique patented design eliminates the need for interpupillary adjustment. The 321 is compact and lightweight making it easy to transport. The USNV-321 features all of the benefits of U.S. made Generation 3 technology, such as; automatic brightness control, gain control, bright light protection and a high powered IR illuminator. The 321's specialized multicoated optics provides extreme clarity in low-light situations. The system ships as a 1x Goggle or 3X Binocular. Unit ships with: soft carry case, manual and battery.
