Multi Reticle Patterns 1.5-6x24

1.5-6x24 Rifle Scope Schoenfeld, Germany

USNV 1.5-6x24 Tactical Rifle Scope

Optional Accessories

Tactical Scope Ring Mounts

The USNV Schoenfeld IllumaSport® Elite 1.5-6x24 is mid-size sport/tactical rifle scope of exceptional quality and performance designed in the traditional Scout style. For those serious sport hunters and professional law enforcement operators that require the best possible optical clarity and reliable function, the USNV Schoenfeld Elite series offers reduced size and weight without compromising performance. Compare it to Leupold or Burris models that have fewer features at a similar price point! Advanced features include 1.5x-6x speed zoom system that is conveniently located at the front of the eyepiece and an illuminated multi reticle pattern selector dial combined with a Mil-Dot reticle that provides better contrast against various target backgrounds. Built from the finest aircraft grade aluminum, standard features include 30mm body tube, multi-coated optics, windage & elevation dials w/micro-click 1/4 MOA adjustments that are protect by threaded metal covers, parallax correct at 25 yards on 6X to infinity, hard anodized matt black finish and illuminated Mil-Dot reticle. Standard accessories include protective lens covers and a CR-2032 Lithium Battery. Optional accessories include 30mm ring mounts. The USNV Schoenfeld IllumaSport® Elite 1.5-6x24 rifle scope is covered by a one year factory warranty. Included Accessories: Lens Covers, CR-2032 Lithium Battery
Optional Accessories: 30mm Ring Mounts
