Made in America: our night vision devices are known throughout the world for their quality and durability.

Our commitment to customer service will ensure your satisfaction.

Universal Rail, Weaver

Weaver Style Rail for all Commercial Systems

Universal SKS/SVD Side Plate, Undrilled. This is a universal plate without screw holes. The plate has not been drilled so that you can change screw placement. It is a good universal plate that is customizable. It is recommended for the SKS and SVD variants and works with the SVD/SKS version of the POSP and all SVD/SKS side mounts. It mounts on the left side of the receiver for use with PO/PSO/POSP rifle scopes. It is fashioned from machined steel and is 15 mm wide and 100 mm long.
