U.S. Night Vision manufactures tactical-grade night vision devices. Our products include goggles, monoculars, weapon sights and night vision devices.

Made in America: our night vision devices are known throughout the world for their quality and durability.

Our commitment to customer service will ensure your satisfaction.

Magnetic Compass

For Use with PV5-7

The magnetic compass increases your mobility by displaying a compass heading in the top of the night vision scene. It is very lightweight and slips onto the objective lens of the unit.
