8-34x56 Rifle Scope
Schoenfeld, Germany

IllumaTACT® Reticle

USNV 8-34x56 Tacticle Rifle Scope
Mfg. By Schoenfeld, Germany

- * Mil Dot Illuminated Reticle
- * Turret Knob Adjustments

Optional Accessories

USNV Hard Case

Specifically developed to meet the needs of both professional law enforcement officers and precision target shooters, the USNV Schoenfeld IllumaTACT® 8-34x56 is the ultimate long-range tactical rifle scope. Compare it to a similar Nightforce model costing nearly twice as much! Advanced features include a patented New Gear Zoom System that significantly increases tube strength, resistance to impact damage and long-range accuracy. Built from the finest aircraft grade aluminum, standard features include 30mm body tube, multi-coated optics, extended turret knobs w/micro-click 1/4" MOA adjustments & full scale graduated markings, side knob focus w/graduated range markings from 15 yards to infinity, hard anodized matt black finish and illuminated Mil-Dot reticle. Standard accessories include protective lens covers, a CR-2354 Lithium Battery and Allen wrench for presetting turret knob positions. Optional accessories include a sunshade, 30mm rings and KillFLASH® Anti-Reflection Device that completely conceals the optical reflection of the scope's front objective lens. The USNV Schoenfeld IllumaTACT® 8-34x56 rifle scope is covered by a one year factory warranty. Included Accessories:....Lens Covers, Allen Wrench, CR-2354 Lithium Battery Optional Accessories:....Sun Shade, 30mm Rings, KillFLASH® Anti-Reflection Filter
