USNV-IR Spot Light Kit

The Night Owl All-View Binocular allows for continuous viewing during the day and night, thanks to its unique isolator system. The extra wide optics boast a multi-layered coating for minimal distortion and maximum sun glare filtration in daylight mode. The body is protected with rubberized armor ensuring comfortable handling in rugged conditions. Individual eye-focus provides excellent viewing flexibility while retractable eyecups protect the eyes from distracting light and provide comfortable viewing for eye-glass wearers.
