Mil Dot Illuminated Reticle 16x56

16x56 Rifle Scope
Schoenfeld, Germany

IllumaTACT® Reticle

USNV 16x56 Tactical Rifle Scope
Mfg. By Schoenfeld, Germany

- * Mil Dot Illuminated Reticle
- * Turret Knob Adjustments

Optional Accessories

Tactical Scope Ring Mounts

This is the ideal high performance tactical weapon sight for professional law enforcement officers and varmint hunters engaging targets at ranges of 100 yards or greater. The USNV Schoenfeld IllumaTACT® 16x56 provides the perfect balance of magnification, objective lens size, field of view and overall weight for long-range tactical & sport applications. Compare it to a similar Nightforce model costing nearly twice as much! Advanced features include patented New Gear Zoom System that significantly increases tube strength, resistance to impact damage and long-range accuracy. Built from the finest aircraft grade aluminum, standard features include a 30mm body tube, multi-coated optics, extended turret knobs w/micro-click 1/4" MOA adjustments & full scale graduated markings, fixed magnification of 16X, parallax correct from 100 yards to infinity, hard anodized matt black finish and illuminated Mil-Dot reticle. Standard accessories include protective lens covers, a CR-2354 Lithium Battery and Allen wrench for presetting turret knob positions. Optional accessories include a sunshade, 30mm rings and KillFLASH® Anti-Reflection Device that completely conceals the optical reflection of the scope's front objective lens. The USNV Schoenfeld IllumaTACT® 16x56 rifle scope is covered by a one year factory warranty. Included Accessories: Lens Covers, Allen Wrench, CR-2354 Lithium Battery Optional Accessories: Sun Shade, 30mm Rings, KillFLASH® Anti-Reflection Filter
