U.S. Night Vision is a manufacturer of tactical-grade night vision devices. Our products include goggles, monoculars, weapon sights and digital night vision devices.

Made in America: our night vision devices are known throughout the world for their quality and durability.

Our commitment to customer service will ensure your complete satisfaction.

The new USNV-760 Weapon sight is the best performing 6X night vision sight available. Water proof, and nitrogen purged, this weapon sight is guaranteed to retain zero on a 50 caliber weapon. It is built with the latest US made Generation 3 night vision technology. The USNV-760 is rugged, yet light weight it is the perfect tool for both military and law enforcement use. When lives are on the line you need the best equipment, the USNV-760 is a weapon sight you can count on.
