Made in America: our night vision devices are known throughout the world for their quality and durability.

Our commitment to customer service will ensure your satisfaction.

Gen 1 Night Vision Goggle/Binocular

Bright Source Protection is standard with every USNV-2MV system!

Optional 3X lenses allow the USNV-2MV to be converted into a binocular.

USNV-2MV

Multi-Application Night Vision System

- * Generation 1
- * Light Weight
- * Cost Effective

Optional Accessories

USNV 3X Lens Kit, Surefire M1 / IR Flashlight, Hard Case Commercial, USNV-IR Spot Light Kit

The USNV-D2MV is the most popular Generation 1 dual tube/dual eye night vision goggle on the market. The rugged USNV-D2MV offers true stereoscopic viewing with its dual tube design. The patented optical system eliminates the need for interpupillary adjustment, thus reducing both size and weight. Features include a high powered IR illuminator, fully adjustable headgear and multi-coated optics. Bright Source Protection is standard with the 2MV system. The optional 3x lens kit allows the 2MV to be converted into a binocular. Experience the night come alive and enjoy more time in the great outdoors with the USNV-2MV.

S P E C I F I C A T I O N S
