U.S. Night Vision manufactures tactical−grade night vision devices. Our products include goggles, monoculars, weapon sights and night vision devices.

Made in America: our night vision devices are known throughout the world for their quality and durability.

Our commitment to customer service will ensure your satisfaction.

US NightVision

25mm 3X Lens
25mm 3X Lens for the NiteMax

The 50mm Lens is a perfect addition for your NiteMax or any C−Mount night vision device. It will allow you to clearly zoom in on distant targets such as license plates, or even allow you to recognize an individual at over 100 yards.
